The UNIGIS Office will contact you to confirm the outcome and processing of your application.

UNIGIS UK is a collaboration between the Manchester Metropolitan University and the University of Salford. The Universities are Data Controllers in respect of the personal data and sensitive personal data ('the information') you submit in this form. The Universities will use the information to process your application for study, to assess your tuition fee status, to allocate you with a placement at either University and to contact your named referees ('the purposes for processing') as is necessary for providing our higher education services (a task in the public interest). In addition, the Universities will use the information in this form to undertake analysis and prepare statistics in relation to our marketing and recruitment approaches (processing necessary for a legitimate purpose).

If you wish to exercise your rights of erasure, rectification, access or blocking under the Data Protection Act 1998, and from May 2018 under the General Data Protection Regulation, please contact the Manchester Metropolitan University's Legal Services team: legal@mmu.ac.uk. Further information about your data protection rights can be found in the Manchester Metropolitan University's [Data Protection Policy](#) and will retain the information in accordance with its [Records Retention and Disposal Schedule](#).

UNIGIS UK may also wish to contact you from time to time by post, email or phonecall to communicate further information about courses, services, benefits, news and updates. Please tick here if you do not wish to be contacted for this additional purpose:
